

### Individual Statement of Contribution to project workload

<b>Name</b>	Subbalakshmi Narayanprasad
<b>List of specific contributions to the project</b>	Worked on Exploratory Data Analysis and Data collection and spatial autocorrelation of the code. Contributed to report writing of literature review and Data session.
<b>Name</b>	Anush Harish
<b>List of specific contributions to the project</b>	Contributed towards model building such as hedonic model and spatial lag model. Also wrote the introduction and research question part in report.
<b>Name</b>	Naveen Ramprasad
<b>List of specific contributions to the project</b>	Worked on modelling of hedonic and spatial log model and also contributed towards the model and result part in report.
<b>Name</b>	Madhushree Saravanan
<b>List of specific contributions to the project</b>	Contributed to the coding of Exploratory Data Analysis, classification schemes and visualization of the dataset also worked on the literature review, study area and conclusion part of the report.
